

## Purelite 40

Purelite offers a neutral shade which maximizes the amount of natural sunlight passing through the window while still filtering out unwanted heat and ultra-violet light. This advanced product is engineered to create a soothing, natural appearance that you will enjoy.

### Product Benefits

- Cuts Annoying Glare
- Significantly Reduces Heat
- Minimizes Fading

### Why Sunscape?

Sunscape window films are your elegant, yet practical solution for comfort, protection, and natural appearance. Enjoy your view by embracing sunlight while minimizing the negative effects such as glare, harmful ultra-violet exposure and unwanted heat. Sunscape films are installed by authorized professionals and manufactured by Madico Window Films.
