

ONE CLEAR

CHOICE

CUSTOM AND SPECIALTY DESIGN

With digitally printed vinyl films and graphics, NGS helps clients promote branding, add decoration and provide privacy with quick, easily changeable, cost-effective solutions.

NGS works with architects in design phase to build customized material and print specifications utilizing latex, UV-cured and solvent printing solutions to ensure the success of each project's specific needs

GRAPHICS:

- Printed Murals
- Glass Graphics
- Computer Created Graphics
- Retail Signage Installations
- Dimensional Signage
- Removable wall graphics solutions
- Custom-tailored solutions

NATIONAL SIGNAGE INSTALLATION

THE NGS ADVANTAGE

When managing multiple locations, you especially appreciate our national account advantages

- Perfectly timed and coordinated seasonal/promotional changes across multiple markets
- Nationwide installation for consistent appearance and quality control
- Web ordering management system to track and manage multiple markets in real time
- Customer portals to manage reporting and budgeting, and process communications
- Vertical integration from production to installation

"Since we have aligned with National Glazing Solutions to execute our large format window graphics program they have proven immensely capable and entirely reliable in the printing and installation of our designs."
